

# Town of Mukwonago Waukesha County

W320 S8315 Beulah Road • Mukwonago, WI 53149  
Phone: (262) 363-4555 • Fax: (262) 363-8377

## Proper Disposal of Paint

The Town of Mukwonago Garbage/Recycle contract with Johns Disposal Service, Inc. will **NOT** take any **liquid paint**; however, removing the acrylic and latex paint lids and drying the paint out, Johns Disposal Service will then take the paint container.

### **Procedure to drying out your acrylic and latex paint containers;**

Dry out the paint outside by coating a flat surface of cardboard and recoating if need necessary. For larger paint quantities, place in a shallow cardboard box lined with a plastic bag add some cat litter to speed up the process. Once dry, you can place the empty harden paint container out at the curb with your other bulk trash, but **leave the top off** so your hauler knows it's hardened and acceptable.

Acrylic and latex paint harden named "Paint Hardener" @ Warden Ace – Mukwonago (262) 363-6865 can be purchased for \$2.49 each.

Oil base paint can be taken the 2<sup>nd</sup> Saturday of the month 8am to 4 pm to:

### **Waukesha County Hazardous Waste drop-off Site**

900 Sentry Drive  
Waukesha WI 53186  
(262) 896-8302
